Dark Red Jennet, 10/3/10, Reg. #Pending

Consignor: Hill Country Miniatures

Brick House is a drop dead gorgeous, dark sorrel jennet with a beautiful head, level topline, wide legset, perfect bite great movement & deep hip. One brother is the 2008 National Champ & 2011 Reserve National Champ; another is 2X European Grand Champ, and her sire is a Reserve National Champ. Her mother is a multiple Champion & NMDA Reserve Produce of Dam winner. She was never supposed to leave our farm. She is very flashy and correct, and should produce babies that will show well.
